<b>R6</b>	94988V779	WRSCX	4686

Mutual fund investing involves risks, including the possible loss of principal, and may not be appropriate for all investors. Stock values fluctuate in response to the activities of individual companies and general market and economic conditions. Certain investment strategies tend to increase the total risk of an investment (relative to the broader market). These funds are exposed to foreign investment risk. The Wells Fargo Large Cap Core Fund is exposed to focused portfolio risk. The Wells Fargo Small Cap Core Fund is exposed to smaller-company securities risk. Consult each fund's prospectus for additional information on these and other risks.

*Carefully consider a fund's investment objectives, risks, charges, and expenses before investing. For a current prospectus and, if available, a summary prospectus, containing this and other information, visit [wellsfargofunds.com](http://wellsfargofunds.com). Read it carefully before investing.*

Wells Fargo Asset Management (WFAM) is a trade name used by the asset management businesses of Wells Fargo & Company. Wells Fargo Funds Management, LLC, a wholly owned subsidiary of Wells Fargo & Company, provides investment advisory and administrative services for Wells Fargo Funds. Other affiliates of Wells Fargo & Company provide subadvisory and other services for the funds. The funds are distributed by **Wells Fargo Funds Distributor, LLC**, Member FINRA, an affiliate of Wells Fargo & Company. 243415 05-16
