Robert Kaynor named as co-portfolio manager of one Wells Fargo Fund

Effective immediately, Robert Kaynor, CFA, has been added as a co-portfolio manager of the Wells Fargo Small Cap Opportunities Fund. This fund is subadvised by Schroder Investment Management North America Inc. Mr. Kaynor brings extensive experience implementing company analysis and holds the title of Director of Research for Schroders' US Small Cap and US Small and Mid Cap (SMID) Equity team, a function which he will continue to perform. Current portfolio manager, Jenny Jones, will remain head of US Small and SMID Cap Equities at Schroders and a portfolio manager on the fund. The fund's investment strategy will remain unchanged as a result of this addition.

About the Schroders US Small and SMID Cap Equity team

The portfolio management team employs a fundamental research-driven process to select companies whose growth is underestimated, that have valuable levels of recurring revenues and cash flows, or that are emerging from a period of dramatic change.

About Robert Kaynor, CFA

Robert Kaynor is co-portfolio manager and director of research for the US Small Cap and US Small and Mid Cap (SMID) strategies at Schroder Investment Management North America Inc. Before joining Schroders in 2013, he was chief investment officer and managing member at Ballast Capital Group for three years. From 2003 to 2010, Mr. Kaynor was a managing director/portfolio manager at Ramius Capital Group. From 2000 to 2003, he was a partner/analyst at Barbary Coast Capital Management. Prior to that, he served as an analyst/assistant portfolio manager at RCM Capital Management, where he began his investment industry career in 1994. Mr. Kaynor earned a bachelor's degree in economics with financial applications from Southern Methodist University in Dallas. He has earned the right to use the Chartered Financial Analyst® (CFA®) designation.

Stock values fluctuate in response to the activities of individual companies and general market and economic conditions. Smaller-company stocks tend to be more volatile and less liquid than those of larger companies. The use of derivatives may reduce returns and/or increase volatility. Consult a fund's prospectus for additional information on these and other risks.

Carefully consider a fund's investment objectives, risks, charges, and expenses before investing. For a current prospectus and, if available, a summary prospectus, containing this and other information, visit wellsfargofunds.com. Read it carefully before investing.

Wells Fargo Asset Management (WFAM) is a trade name used by the asset management businesses of Wells Fargo & Company. Wells Fargo Funds Management, LLC, a wholly owned subsidiary of Wells Fargo & Company, provides investment advisory and administrative services for Wells Fargo Funds. Other affiliates of Wells Fargo & Company provide subadvisory and other services for the funds. The funds are distributed by **Wells Fargo Funds Distributor, LLC**, Member FINRA, an affiliate of Wells Fargo & Company. Neither Wells Fargo Funds Distributor nor Wells Fargo Funds Management holds fund shareholder accounts or assets.
