Wells Fargo Capital Growth Fund 2018 off-cycle capital gains estimates

The Wells Fargo Capital Growth Fund will pay off-cycle capital gains distributions on November 6, 2018. The estimated distribution range for the Capital Growth Fund is shown in the table below.

This information also will be available on wellsfargofunds.com:

- [Investment Professionals site](#): Go to Products > Performance—All Funds > Distributions
- [Individual Investors site](#): Go to Mutual Funds > Distributions

Note: A complete distribution history is available on the bottom of the Performance tab on each distributing fund's profile page.

Wells Fargo Funds recognizes the potential impact of capital gains distributions on shareholders' taxes; the firm's fund accountants and portfolio management teams work together to seek to minimize this potential impact while focusing on before-tax returns. The portfolio teams continue to follow consistent investment processes with a focus on long-term performance and risk management.

Please note:

- The projection below was computed based on September 30, 2018, data and should be considered an estimate only. As estimates, these numbers are subject to change before any actual distributions occur.
- The final distribution amounts will be posted on wellsfargofunds.com by November 6, 2018.
- Form 1099-DIV will provide actual capital gains information for 2018 tax-reporting purposes. This form is expected to be mailed to shareholders in late January 2019 through early February 2019 (if applicable).
- Shareholders should consult their tax advisors about the impact of capital gains distributions on their particular financial situations.
